(A sub-unit of SAIIER—Sri Aurobindo International Institute of Educational Research, Auroville)

**Our Vision**

- To connect the beneficial influence of Aurovilian philosophy and activities with the Tamil culture, and for our centre to be a place where the two cultures will integrate.
- We would like to build a bridge between Auroville and our villages, connecting people with many different activities.
- We believe that this would fulfill the Mother’s wish to attend to the development and welfare of local village people.

**What we follow**

1. NOTHING CAN BE TAUGHT
2. THE MIND HAS TO BE CONSULTED ON ITS OWN GROWTH
3. TO WORK FROM THE NEAR TO FAR, FROM THAT WHICH IS TO THAT WHICH

- Sri Aurobindo

**Our Activities**

We are focusing on various activities of arts and culture, to mould the participant’s skills from beginner to well skilled. We have taken necessary efforts to initiate various sessions to focus on the multi-dimensional development of our participants.

**Auroville** wants to be a universal town where men and women of all countries are able to live in peace and progressive harmony above all creeds, all politics and all nationalities.

The purpose of Auroville is to realize human unity.

**Kuilai Creative Centre** has been formed for Auroville’s Bio-regions to come together and spend their valuable leisure time meaningfully, developing and acquiring additional skills through various extra-curricular activities.
